

Clarity SNAP™ Terminated Copper Cabling System offers the above-the-standards performance of Clarity® connectivity in a custom terminated cable assembly system that's ready to plug and go. Its innovative modular design combines high performance and installer friendly features with the quick deployment and reliability of a factory terminated and tested cabling system.

Features & Benefits

- Totally modular cabling system: Dramatically faster deployment of horizontal cabling and port replication
 - Factory-installed and tested terminations: Assembled in a controlled factory environment for consistent performance to elevated requirements confirmed by factory testing. Factory tested terminations reduce the time and cost of field testing
- Reduced size of cable ends: Easier cable pulling and directing through pathways and racks
 - Clarity® 6A/10G, 6 and 5E performance: Premium performance you've come to rely on from Clarity connectivity, now in a terminated solution
- Factory supplied identification: Each cable assembly includes part number and unique identifiers for traceability and association to its factory test report
 - Variety of options: Solutions tailored to your specific needs
- Increased flexibility for MACs: Reduces total cost of ownership and allows re-use in the future (also reducing waste)

Specifications

General Info

Product Line	Ortronics	Color	Blue
UPC Number	662875999973	Country Of Origin	Mexico

Dimensions

Product Length US	15.0 FT	Cable Length	15 ft
-------------------	---------	--------------	-------

Technical Information

Category Performance Rating	Cat 6a
