

The Infinium HDJ Series 48-Port Unloaded Angled Panel with Label Kit supports rear loading of HDJ fiber adapters and HDCA fiber cassettes. This high density panel includes a rear cable management bar with straps to support a clean and organized look. The panel is made of black powder-coated steel and is designed for optimum performance, saving valuable rack space by occupying only 1RU. The included label kit was created specifically for fiber applications and allows for easy and intuitive port identification.

Features & Benefits

High Density Design: Maximizes use of rack/cabinet real estate

Labeling Kit: Provides easy and intuitive port identification

Specifications

General Info

Product Line	Ortronics	Color	Black
UPC Number	662875004509	Country Of Origin	Mexico
Application Sector	Commercial, Industrial	Warranty Type	5-Year

Dimensions

Product Width US	19.0 in	Product Depth US	8.04 in
Product Height US	3.5 in		

Technical Information

Compatibility	Infinium
