

Shielded Clarity angled panels utilize a unique recessed angle design to help direct cords with greater ease to vertical rack or cabinet management within a lower profile. This design provides an improved alternative for applications that do not offer rack space for horizontal management. Rugged rear cable management is supplied to support best cabling practices. Industry leading protection against EMI is provided when paired with Shielded Clarity High Density Jacks. The Shielded Clarity panels are available in Black or White with options of angled or flat face and densities to support up to 24 ports in 1RU.

## Features & Benefits

Available in flat and angled	Accepts HDJS series jacks or HDJ UTP jacks
Jacks rear load into panel	Includes rear wire manager and ground lugs
Available in black or white	

## Specifications

General Info			
Product Line	Ortronics	Color	White
UPC Number	662875020158	Country Of Origin	Mexico
Application Sector	Commercial, Industrial	Warranty Type	5-Year
Dimensions			
Product Width US	19.0 in	Product Depth US	7.49 in
Product Height US	1.75 in		
Technical Information			
Compatibility	HDJ	Rack Units	1
Shielded/Unshielded	Shielded
