

Shielded Clarity flat panels utilize a rear loading design to help direct cords with greater ease to vertical rack or cabinet management within a lower profile. This design provides an improved alternative for applications that do not offer rack space for horizontal management. Rugged rear cable management is supplied to support best cabling practices. Industry leading protection against EMI is provided when paired with Shielded Clarity High Density Jacks. The Shielded Clarity panels are available in Black or White with options of angled or flat face.

Features & Benefits

- High density design: Maximizes use of rack/cabinet real estate
- HDJ jacks and adapters mount quick, easily and securely: Speed of install and reliability
- Rear management bar and straps included: Supports good cabling practices

Specifications

General Info

Product Line	Ortronics	UPC Number	662875020080
Country Of Origin	Mexico	Application Sector	Commercial/Industrial
Type	Panel		

Additional Information

RoHS Conformant	Yes
