

Ortronics
High Density HDJ 24 Port Unloaded Flat Patch Panel 1RU Black
Part No. PHDHJU24

Includes rear management bar and straps. These modular panels support rear loading of HDFM adapter panels, HDJ adapters and LMH cassettes. Available in 24, 48 or 72 port, in a black or white finish, and in high or standard density, these panels include a rear cable management bar with straps to support a clean and organized look. The construction of the panel is powder-coated steel and is designed for optimal performance. Customize these panels for each application with support for mixed media applications for copper and fiber, and even add individual 40/100G uplinks.

Features & Benefits

High density design: Supports up to 48-port in 1RU, Maximizes use of rack/cabinet real estate.	HDJ jacks and adapters mount quick, easily and securely: Speed of install and reliability
Compatible with copper jacks and fiber modules: Mixed media and future upgrades	Easy access: Remove and install into loaded parts
Ability to configure with choice performance categories and colors	Rear management bar and straps included: Supports good cabling practices.

Specifications

General Info

Product Line	Ortronics	Color	Black
UPC Number	662875885955	Country Of Origin	Mexico
Application Sector	Commercial/Industrial	Type	Panel

Dimensions

Product Width US	19.0 in	Product Depth US	6.45 in
Product Height US	1.75 in		

Additional Information

RoHS Conformant	Yes	Product Has Potential to Contribute to LEED	Yes
Product Environmental Profile	Yes		

Technical Information

Compatibility	HDJ	Rack Units	1
Number of Ports	24	Shielded/Unshielded	Unshielded
Gauge	14	Mounting	Rack Mount
