

Replacement Connector Lid, 5-Wire 30A 3-Phase  
 120/208Volt.

## Features & Benefits

Legrand Pin & Sleeve products provide installation ease, enduring performance in harsh conditions, and guaranteed IEC 309 compatibility.

Arrives ready to wire, with cord grip open and cable-ready. Terminal screws come backed out and ready to wire. Front and back body require no disassembly prior to assembly.

Nylon construction for high impact and corrosion resistance.

Nickel-plated brass pins provide extracorrosion resistance without sacrificing electrical conductivity.

Locking ring with an integral neoprene gasket provides watertight seal when plug and connector/receptacle are mated.

Natural-rubber grommets provide watertight protection at cable entry.

Combination-head screws for added convenience and quick installation.

Revolutionary, hinged cord grip for durable performance and ease of installation.

Cover with integral neoprene gasket provides watertight seal.
