

Straight Blade Plug 2pole 3wire 20amp 250v

Features & Benefits

Unit arrives completely ready-to-wire, cuts installation time significantly.

Rugged two-piece cord grip provides more uniform cord retention.

Tri-drive assembly screws are standard on all Specification Grade plugs and connectors.

Heavy-duty brass alloy blades and contacts, resist heat rise, provide excellent conductivity.

For covering patents, see www.legrand.us/patents.

Nylon housing provides impact and chemical resistance.

Internal dust shield keeps terminals free of contaminants.

All 3-wire terminals located on the same plane, allows for quick wire termination from any angle.

Cord-grip screws recessed to protect installer against screwdriver head slippage.

Specifications

General Info

Color Black

UPC Number 785007237078

Countries Of Origin Mexico

Product Line Pass & Seymour

Type Straight Blade

Standard UL 498

Listing Agencies / 3rd Party Agencies

cULus Listed Yes

Additional Information

Product Environmental Profile Yes

Technical Information

Number of Poles Double Pole

Voltage	250 V
Connection	Wire Grounding
Wire Size	4
Number of Wires	3
