

Quiktron
Q-Series 28 AWG CAT6A Patch Cable, Green, 6 in
Part No. QCC-A454-02F3-6IN

□

Reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.

Features & Benefits

36% reduction in diameter compared to standard Cat6 cables

Snagless connector design

Meets the ANSI/TIA/EIA-568-C.2 standards for patch cord performance

28AWG construction
