

Quiktron  
Q-Series 28 AWG CAT6A Patch Cable, Red, 20 FT  
Part No. QCC-A454-02F7-020

Reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.

## Features & Benefits

---

36% reduction in diameter compared to standard Cat6 cables

Snagless connector design

Meets the ANSI/TIA/EIA-568-C.2 standards for patch cord performance

28AWG construction

## Specifications

---

### General Info

---

Product Line	Quiktron	Country Of Origin	United States
