Make it easier to get a full battery for your smartphones, tablets and more with the convenience of built-in charging. A perfect charging solution for your current and future electronic devices, this tamper-resistant USB outlet features connections for USB Type-A and the newer USB Type-C. Easily replacing traditional outlets in as little as ten minutes, this outlet offers accessible charging without needing bulky adapters or sacrificing your plugs, and features the sleek, clean lines of radiant® for a sophisticated look. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Provides convenient built-in charging, without sacrificing plugs or requiring a bulky adapter.

All Legrand USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Lifetime Warranty.

Replaces a traditional outlet easily, in as little as 10 minutes.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Accommodates all mobile devices with connections for both traditional USB Type-A and the newer USB Type-C, which features a smaller, reversible connector and high-speed specs.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
