Charge phones, tablets and more up to 40% faster, with Ultra-Fast USB Outlets from the radiant® Collection. With an industry-leading 30W of power supplying its two included USB Type-C connections, this outlet helps you get that full battery feeling with convenience and speed – no bulky adapters needed. Easily replacing traditional outlets in as little as ten minutes, the Ultra-Fast updates your space with advanced functionality and the sleek, clean lines of radiant for a sophisticated look. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Provides fast and convenient built-in charging, without sacrificing plugs or requiring a bulky adapter.	Features an industry-leading 6.0A of power, as well as Smart Chip technology, to maximize charging speed for each USB connection.
Accommodates the latest mobile devices with two USB Type-C connections.	All Legrand USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Lifetime Warranty.
Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.	Replaces a traditional outlet easily, in as little as 10 minutes, with features like scalloped cover design and posted side-wire terminal screws for faster installation.
More color options available to fit any style, including finishes to match current hardware and lighting trends.	Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
