

radiant Collection
radiant® Locator Light Module, Clear
Part No. RCDLMCC8

Using an efficient and long-lasting LED bulb, this patented snap-in module adds a discreet locator light to designer switches from the radiant® Collection for easier finding in the dark.

Features & Benefits

Module simply snaps-in for easy installation.

Uses energy-efficient LED light that remains cool to the touch, even when in use.

Automatically turns on when switch is off.
