

Legrand

Furniture Power Replacement Bezel for Switching Power Unit- Nickel
Part No. RDSBNI

radiant Furniture Power Centers allow you to conveniently bring power and charging right to the spaces where people work and play, all in a compact, aesthetically pleasing package. Office lobbies, waiting rooms, cafeterias, restaurants/bars, lecture halls, transportation hubs, guest rooms, etc. can benefit from the installation of radiant Furniture Power.

Features & Benefits

Simply cut an opening, insert, tighten clamps, snap on the bezel and plug in.

A compact, low profile design mounts quickly into many surfaces using screw clamps instead of wood screws.

Two USB charging ports (5V, 3.1A total) to charge mobile devices as quickly as possible.

Available in five attractive shades to complement the style of your furniture: black, white, brown, light almond and nickel. Included bezel prevents exposed screws from being seen.

Complies with part 15 of the FCC Rules and is ETL Listed to both US and Canadian safety standards.

Features an optional push button switch that controls a cord-connected lighting fixture.

Safe for spills and ready to mount in horizontal surfaces like table tops

Two tamper-resistant receptacles to protect yourself and your devices from damage or risk of injury.

The pass-thru plug allows you to plug another device such as a lamp into the back of the furniture power unit plug, ensuring you don't lose an outlet.

Replacement bezels are available in case original bezel is lost or damaged.

Specifications

General Info

UPC Number 786776191837
