

## Legrand

120V, 1100W Incandescent Single Pole/3-Way Dimmer, White  
Part No. RH1103PW

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. Upgrading your standard switch to this dimmer will save energy and extend bulb life by reducing the amount of electricity required to power the lights. radiant® Screwless Wall Plate not included.

### Features & Benefits

Part of the all-new radiant® collection.

White LED glows when dimmer is OFF for easy location in the dark.

Higher ratings.

Works with standard 3-way switches and wiring.

Seven additional face cover colors available but sold separately (see HKIT\*).

Convenient operation: combines ON/OFF paddle switch with separate slider for dimming control.

Constant memory returns lights to previous level after a power failure.

Single pole and 3-way operation.

Screw-pressure-plate backwire terminals save time, space and money.

For covering patents, see [www.legrand.us/patents](http://www.legrand.us/patents).

### Specifications

#### General Info

Color White

UPC Number 785007053395

Countries Of Origin China

Product Line Pass & Seymour

Application Sector Residential

Type Dimmer

Standard CSA Listed, cULus, UL Listed

#### Listing Agencies / 3rd Party Agencies

cULus Listed Yes

#### Technical Information

Wattage 1100 W

Voltage 120 V
