

radiant Collection
radiant® Incandescent Pole/3-Way Dimmer
Part No. RH703PTCCCV6

radiant® dimmers help save energy simply, and as part of the radiant collection, now offer a better fit, form and finish. Compatible with incandescent dimmable bulbs, these dimmers feature constant memory that returns lights to the previous level after a power failure for automatic control and convenience

Features & Benefits

- Replaces any basic switch or dimmer with ease, in both single-pole and 3-way applications. For use with incandescent lighting
 - Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark
 - No derating* required in multi-gang applications. *Reducing the maximum wattage a dimmer can handle. This is sometimes required for multi-gang applications
 - More color options available to fit any style, including finishes to match current hardware and lighting trends
 - Screw pressure plate back wire allows easier installation and fit into the wall box
 - For covering patents, see www.legrand.us/patents.
- Low-profile paddle switch offers smoother ON/OFF control, while a separate, ergonomic slider allows you to adjust light levels with precision
 - Constant memory features returns lights to their previous level when turning back on or after a power outage
 - Features durable, high-impact resistant thermoplastic construction
 - Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection
 - Eliminates the need to derate LED bulbs when in multi-gang situations

Specifications

General Info

Product Line	Pass & Seymour	Color	White, Ivory, Light Almond
UPC Number	785007053715	Country Of Origin	China
Number of Switches	1	Warranty Type	Limited Lifetime Warranty

Technical Information

Number of Gangs	1	Number of Poles	Single Pole, 3-Way
-----------------	---	-----------------	--------------------

Wattage

700 W

Mounting Type

Box

Voltage

120 V
