

Legrand
radiant® Single-Pole/3-Way Fan Speed Control
Part No. RHDH163PWCCV6

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. radiant® Screwless Wall Plate not included.

Features & Benefits

Part of the all new radiant® collection.

White LED glows when fan control is OFF for easy location in the dark.

Single pole and 3-way operation.

Screw-pressure-plate backwire terminals save time, space and money. Constant memory returns the fan to previous level after a power failure.

Specially designed capacitive circuitry de-hummer feature virtually eliminates fan motor hum for quiet fan speed control.

Constant memory returns the fan to previous level after a power failure.

Works with standard 3-way switches and wiring.
