

radiant Collection
radiant® Single Pole 3-Way Occupancy Sensor, Dark Bronze
Part No. RRW600UBCCCV4

Simplify control while saving energy, with the radiant® Occupancy Sensor. Automatically turning the light on when someone enters a room, and shutting it off when the room is empty, this sensor includes an adjustable timed delay for shut off, as well as additional settings for more flexible control. Part of the radiant® Collection, it features clean lines and smooth paddle action for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Specifications
