

radiant Collection
radiant® Single Pole 3-Way Occupancy Sensor, White
Part No. RRW600UTCCCV4

Upgrade your space with Legrand's newest LED dimmer switch in the radiant® Collection. Designed specifically for flicker-free control of today's dimmable LED light bulbs and fixtures, this dimmer features advanced circuitry to offer a superior lighting control experience that works right out of the box. The dimmer switch boasts a variety of user adjustments to adapt to a wide range of dimmable LED lights, eliminating unpleasant flickering, pop-ons and more. As a part of the radiant® Collection, the advanced dimmer for LED lights also features clean lines and smooth control for a sophisticated touch. Pair with a screwless radiant® Wall Plate and other designer switches and outlets from the Collection for a cohesive design throughout the home. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

*Not intended for use with 0-10V, Magnetic Low Voltage and Electronic Low Voltage Drivers.

Features & Benefits

Specifically designed for use with dimmable LED bulbs and fixtures up to 150W at 120VAC. Optimized to work out of the box and provide flicker-free control of LEDs. *Not intended for use with 0-10V, Magnetic Low Voltage and Electronic Low Voltage Drivers.

Customize how you want the light to turn on with three control settings.

Features an adjustable time delay, letting you set the automatic shut-off after a specified window of time. Delay settings range from 30 seconds to 30 minutes after the room is vacated.

Installs easily in place of a standard light or fan (single-pole) switch. No neutral wire required.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

The secret for always turning the lights off? A device that does it for you automatically. Perfect for bathrooms, hallways, closets, and garages.
