

radiant Collection
radiant® 4-Button Digital Timer, Black
Part No. RT2BKCCV4

Installs easily in place of a standard light or fan switch, or older spring-wound timer and includes manual on/off through the paddle switch for added convenience. A locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

Features & Benefits

Works with a variety of light bulbs or fixtures, including: Incandescent, LED, fluorescent, compact fluorescent (CFL), magnetic low-voltage (MLV) and electronic low-voltage (ELV), 1/6 hp.

Automates control of lights for energy and cost savings. Also includes manual on/off through the paddle switch for added convenience.

Lets you select a desired preset shut-off time, including 60, 40, 20 and 10 minutes.

Installs easily in place of a standard light or fan switch, or older spring-wound timer.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

More color options available to fit any style.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
