

Designed to complement any space, the radiant® Collection features sleek, screwless wall plates for cleaner lines and a sophisticated touch. Pair this five-gang option with a combination of radiant® switches, dimmers, and/or outlets for a completed look that's a step above ordinary.

Features & Benefits

Redesigned screwless wall plates feature a lower, more modern profile in keeping with today's design trends.

One-piece subplate mounts over the device for easy retrofit and a lower profile.

Opening accommodates all NEMA 26-opening devices.

Molded of rugged .065" thick polycarbonate

Subplate screws align devices to ensure proper positioning of the wall plate.

An extra 3/8" width and height than standard size wall plates for more tolerance in covering ragged sheet rock openings.
