

Designed to complement any space, the radiant® Collection features sleek, screwless wall plates for cleaner lines and a sophisticated touch. Pair this six-gang option with a combination of radiant® switches, dimmers, and/or outlets for a completed look that's a step above ordinary.

Features & Benefits

Adds a touch of sophistication to any space with a sleek, screwless face and low-profile. Sized to fit even over ragged openings for a seamless look.

Ensures proper plate positioning with subplate screws.

Designed to exclusively fit the designer switches, dimmers and outlets from the radiant® Collection, snapping into place with ease.

Molded of highly durable polycarbonate, Wall Plates from the radiant® Collection are available in an array of classic colors and metallic finishes.
