

This Single-Sided Horizontal Cable Management Panel is the perfect solution for managing cables within a rack or cabinet in a wide variety of applications. This panel is designed to mount on any 19in EIA style rack or cabinet, and features a unique finger design that protects cables from damages. The cover mounts with six hinge clips to enable the door to be opened one-handed without becoming unhinged.

The fingers begin 3/4in from the rack face to provide cable bend limitation that protects the cables and equipment – ensuring optimum network performance. This panel includes the necessary mounting hardware, so there are no additional parts to order.

Features & Benefits

Provides a choice of less rack space or more capacity.

No additional parts to order.

Protects cables, equipment and network performance.

Specifications

General Info

Product Line	Ortronics	UPC Number	662875288244
Country Of Origin	United States	Application Sector	Commercial

Dimensions

Product Width US	19.0 in	Product Depth US	7.3 in
Product Height US	3.47 in		

Additional Information

RoHS Conformant	Yes
