radiant Collection

radiant® 15A Single-Pole Switch, NAFTA Compliant, White

Part No. TM870NAW

The perfect upgrade for your basic light switch, the Single-Pole Switch from the radiant® Collection provides on/off control of a light or fixture from a single location, while combining clean lines and smooth paddle action for a sophisticated touch. As a NAFTA-Compliant device, this switch is ideal for use in projects subject to the Buy America Act. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

For use with incandescent lights/bulbs only.

Uses a paddle switch for smoother control with a low-profile aesthetic.

Designed to install easily with a narrower back body and captivated mounting screws.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Replaces any standard switch with ease, in as little as 10 minutes.

Features durable, high-impact resistant thermoplastic construction.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

NAFTA-Compliant devices are ideal for use on projects subject to the provisions of the Buy America Act.
