

Legrand
radiant® 15A 3-Way Switch
Part No. TM873

Allowing control of a light or fixture from two separately located switches, the radiant® 3-Way Switch upgrades your space with clean lines and smooth paddle action for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces any standard 3-way switch with ease.

Smooth paddle action.

Side wire terminal screws #12 AWG solid wire: push wire terminals accept #14 AWG solid cooper wire only.

Captivated mounting screws offer hassle-free installation.

For covering patents, see www.legrand.us/patents.

Allows you to control a light fixture from two locations in a room.

High-impact resistant thermoplastic construction for durability and extended service life.

Narrow back body leaves more room for wires in the box.

Coordinate your USB charger with a radiant screwless wall plate.
