Allowing control of a light or fixture from two separately located switches, the radiant® 3-Way Switch upgrades your space with clean lines and smooth paddle action for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces any standard switch with ease, in as little as 10 minutes

Uses a paddle switch for smoother control with a low-profile aesthetic

Features durable, high-impact resistant thermoplastic construction

Designed to install easily with a narrower back body and captivated mounting screws

More color options available to fit any style, including finishes to match current hardware and lighting trends

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection
