

radiant Collection
radiant® 15A 3-Way Switch (NAFTA Compliant)
Part No. TM873NA

Allowing control of a light or fixture from two separately located switches, the radiant® 3-Way Switch upgrades your space with clean lines and smooth paddle action for a sophisticated touch. As a NAFTA-Compliant device, this switch is ideal for use in projects subject to the Buy America Act. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Part of the all-new radiant: collection.

High-impact resistant thermoplastic construction.

Push wire #14 AWG.

Extra-long, through-body strap eliminates floating installations and imperfect applications.

Tri-drive ground, terminal, and mounting screws.

NAFTA-Compliant Residential Wiring Devices are ideal for use on projects subject to the provisions of the Buy America Act.

Smooth paddle action.

External screw-pressure-plate back and side wired. Accepts #12 and #14 AWG.

Narrow back body leaves more room for wires in the box.

Easy-access green hex head ground screw.

ON-OFF switches conform to NEC 430-104 requirements for kitchen disposal units.

For covering patents, see www.legrand.us/patents.
