

For your largest or most open spaces, a radiant® 4-Way Switch enables control of a single light or fixture from three or more separate locations (working in conjunction with 3-Way Switches). Perfect for basements or multi-level rooms. Part of the radiant Collection, it features clean lines and smooth paddle action for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

- Replaces any standard switch with ease, in as little as 10 minutes
- Uses a paddle switch for smoother control with a low-profile aesthetic
- Features durable, high-impact resistant thermoplastic construction
- Designed to install easily with a narrower back body and captivated mounting screws
- More color options available to fit any style, including finishes to match current hardware and lighting trends
- Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection
