

Pass and Seymour
Discontinued - Trademaster® Decorator Receptacles
Part No. TM8851150

Decorator duplex receptacle with pressure plate. ♦ 15 amp, 125 volt, Ivory. ♦ 150 pack.

Features & Benefits

Longer steel straps than competitive devices, still fits under a standard wall plate.

Ultrasonic welding of face to back body.

External screw-pressure-plate back wire on all four terminal screws and ground screw eliminates wrapping.

Break-off tabs that are big enough to grab hold of -- even if contact screws are backed out.

All four contact screws and the ground screw are backed out.

High-impact thermoplastic face and back body eliminate cracks, breaks, and callbacks.

Patented design provides better plug retention.

Accepts #12 and #14 stranded and solid wire.

Scored deeper for fast, clean breaks every time.

All screws are tri-drive.
