

radiant Collection
radiant® Spec-Grade 20A Tamper-Resistant Receptacle
Part No. TR26352R

Take a step up from the standard. This tamper-resistant duplex receptacle installs easily for the basic power every space needs, while featuring the sleek, clean lines of radiant® for a sophisticated look. 20A outlets are ideal for use with larger appliances and in commercial settings, as well as to meet regional requirements (Chicago, Canada). Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately. Spec-Grade devices are engineered to meet federal specifications for use in commercial installations.

Features & Benefits

Part of the all-new radiant: collection.

Auto-ground clip assures positive ground.

Easily accessed break-off line-contact connecting tab for fast and easy split-circuit wiring.

Backed-out tri-drive steel terminal screws for faster installation.

For covering patents, see www.legrand.us/patents.

Dual mechanical shutter system to help prevent insertion of foreign objects.

High impact-resistant nylon face for durability.

.032-inch thick brass triple-wiper power contacts for reliable plug retention.

Corrosion-resistant, plated steel strap.
