Quiktron
Universal Style Tubular Runway- 6 in W- black
Part No. URT10-6B

Universal Style Tubular Runway features 1in x .5in tubular cross slats that are welded between .375 x 1.5in high tensile tubular steel stringers. Cross slats feature rounded edges for cable protection. Standard length is 9ft 11in, and widths from 6in to 24in. Available in rust-resistant, powder coated black finish only. UL listed.

Features & Benefits

Made of lightweight rectangular steel tubing: Reduces floor load and is easy to install and maintain.

Tubular cross slats are welded between the stringers and feature rounded edges: Ensures cable protection.

Steel meets stringent specifications for yield and tensile strength: Assures a strong, lightweight product that easily supports and delivers overhead cable.

Tubular cross slats are welded on 12" centerlines: Proving more cost effective and weighing less.

Specifications

General Info

Product Line	Ortronics	Color	Black
UPC Number	662875899457	Country Of Origin	United States

Dimensions

Product Width US	10.0 in	Product Depth US	6.0 in
Product Height US	1.5 in		

Additional Information

RoHS Conformant	Yes
