

Legrand
Large Point5 Column
Part No. VLP5662345

The Vista Point5 provides power, voice, data and audiovisual connections without disrupting conference spaces. Mounted on the floor, the Vista Point5 can nestle into the center of a contemporary conference table or double as one of the support legs. It's unobtrusive design allows the table to remain open for paperwork and other presentation materials. Clear access to outlets and jacks keeps the floor free from running cords and cables. And, the Vista Point5 offers easy communications connections for up to eight users. Make the most of any meeting space with the Vista Point5.

Features & Benefits

Flexibility. Choose from a range of center panels to accommodate your aesthetic and capacity requirements.

Height options. Choice of heights to accommodate different work surface heights.

Vertical barrier. This internal barrier permits electrical and communications devices to be installed next to each other without interference.

Finishing cap. The top cap is constructed of heavy duty, 3/4" thick aluminum.

Device Compatibility. Compatible with a wide range of standard power and communications devices.

UL Listed.
