

Extra heavy-duty weatherproof cover withstands the toughest of conditions and ensures protection for electrical devices. Lockable cover prevents tampering, and delivers excellent weather resistance thanks to neoprene-blend gasketing, a cord flap seal and our exclusive WaterShed channel.

Features & Benefits

Compliant with National Electrical Code: (NEC) Section 406.8(B)(1) for wet locations.

UL listed for "Extra-Duty" applications.

Trigger latch opens easily with one finger, yet lockable to prevent tampering.

Pre-assembled with gasket for easier installation, saving time and misplacement.

Frosted polycarbonate construction resists impacts and harsh weather while hiding dirt.

Roomy interior provides space for plugs and cord bends.

Increased center opening adaptor insert plates for 1G and 2G covers (duplex, round, GFCI).

Snap-in device plates require no tools to install and won't fall out.

Snap-in adapters included for GFCI, duplex and single receptacles.
