

adorne Collection
Coming Soon: adorne Smart Gateway with Netatmo Magnesium
Part No. WNAH2M1

The smartest way to take control of lights and power, optimized for whole home use.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

Features & Benefits

The foundation of the adorne with Netatmo solution, the surface-mount Gateway is cleverly designed to install easily beside an existing single-gang switch or outlet, no back box or network wiring required

Ensures ultra-reliable performance through a robust and dedicated mesh-network

Enables control of a home's smart lighting solutions through the Legrand Compatible with other smart products through Home + Control app, allowing for easy scheduling, the creation of groups, Amazon Alexa, Google Assistant and Apple setting scenes, managing energy usage and more

HomeKit, as well as with home automation systems

Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers

Compatible with all adorne® with Netatmo and radiant® with Netatmo smart devices

Available color options include White, Magnesium and Graphite

Pair with designer wall plates from the adorne® Collection to fit any style
