

adorne Collection
Coming Soon: adorne Tru Universal Smart Dimmer with Netatmo Graphite
Part No. WNAL50G1

The smartest way to take control of lights and power, optimized for whole home use.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

The adorne® Smart Tru-Universal Dimmer works with virtually any 120V dimmable bulb or fixture, adjusting to the precise light level you want, without the flicker. Unsure what dimmer your bulb needs? Avoid uncertainty with Tru-Universal Dimming.

Features & Benefits

- Control lights from smartphones and tablets with the Legrand Home + Control app. Even schedule lights to turn on/off automatically, create groups, set scenes and monitor energy usage
- Works with virtually any 120V dimmable bulb or fixture and installs easily in place of an existing switch (neutral wire required)
- Features ultra-reliable performance through a robust and dedicated mesh-network
- Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems
- Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers
- Available color options include White, Magnesium and Graphite
- Pair with designer wall plates from the adorne® Collection to fit any style
- Smart Gateway required

Specifications
