

adorne Collection
Coming Soon: adorne Wireless Smart Dimmer with Netatmo Graphite
Part No. WNAL63G1

The smartest way to take control of lights and power, optimized for whole home use

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs.

The Wireless Smart Dimmer with Netatmo can be added to any wall, or virtually any surface, to gain dimming control of a light or fixture from an additional location -- no wires necessary. Use the included adhesive to mount anywhere in minutes, no tools required. An ideal solution for large rooms or areas with multiple entrance/exit points that are not wired for 3-way control.

Features & Benefits

Control lights from smartphones and tablets with the Legrand Home + Control app. Even schedule lights to turn on/off automatically, create groups, set scenes and monitor energy usage	Installs easily, no wiring required, for ultimate flexibility. Simply mount to any wall for long-lasting, battery-powered control
Perfect solution for adding 3-way control, no wiring required, when paired with a Smart Tru-Universal Dimmer with Netatmo	Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems
Features ultra-reliable performance through a robust and dedicated mesh-network	Available color options include White, Magnesium and Graphite
Pair with designer wall plates from the adorne® Collection to fit any style	Must be paired with a Smart Tru-Universal Dimmer or Smart Plug-In Dimmer from the adorne or radiant with Netatmo solutions
Smart Gateway required
