

radiant Collection
radiant® Wireless Smart Scene Controller with Netatmo, White
 Part No. WNRCB40WH

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home’s unique space and needs.

Create and edit lighting scenes in the app (total 8 per system, including Home/Away and Wake/Sleep). Then, use this battery-operated scene controller to control four lighting scenes with one touch. Add to any wall, no wires or tools needed, then create your scenes easily within the app. A great addition for living rooms, dens and more, the scene controller makes it simple to quickly set the perfect lighting for a movie or game night.

radiant® Wall Plate included.

Features & Benefits

Smart Gateway REQUIRED

Enjoy one-touch control of four lighting scenes (not including Home/Away and Wake/Sleep). Easily create and manage scenes from your smartphone or tablet using the Legrand Home + Control app

Installs easily, no wiring required, for ultimate flexibility. Simply mount to any wall for long-lasting, battery-powered control

Part of the radiant with Netatmo solution, which flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets (including other wireless switches and dimmers)

Must be used in conjunction with installed Smart Switches, Dimmers and/or Outlets with Netatmo

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems

Features ultra-reliable performance through a robust and dedicated mesh-network

More color options available to fit any style, including finishes to match current hardware and lighting trends

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look
