

The smartest way to take control of lights and power, optimized for larger homes.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

Features & Benefits

Smart Gateway REQUIRED	Control lights from smartphones and tablets* with the Legrand Home + Control app. Even schedule lights to turn on/off automatically, create groups, set scenes and monitor energy usage
Features ultra-reliable performance through a robust and dedicated mesh-network	Installs easily in place of an existing single-pole switch or dimmer (neutral wire required). For easy 3-way control, pair with a Wireless Smart Switch with Netatmo
Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems	Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers
Available color options include White, Light Almond and Nickel	Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look

Specifications

General Info

Product Line	Pass & Seymour	Color	Nickel
Finish	Matte	UPC Number	785007289572
Country Of Origin	China	Number of Switches	1
Application Sector	Residential, Commercial	Type	Switch

Listing Agencies / 3rd Party Agencies

cULus ListingNumber	E350248	cULus Listed	Yes
