

Use this battery-operated smart light switch to control the Wake/Sleep full lighting scenes with one touch. Position near a nightstand or the door of an en suite bathroom for convenient morning and nighttime control. Add to any wall, no wires or tools needed, then program it easily within the app. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, smart dimmer switches and smart outlets to build a solution that fits a home's unique space and needs. Screwless Wall Plates from the radiant® Collection included.
