

radiant Collection radiant® Smart Tru-Universal Dimmer with Wi-Fi, White

Part No. WWRL50WHCCV2

Take comfort in the convenience of controlling your lights from any smart device, from anywhere. The Smart Tru-Universal Dimmer, Wi-Fi offers precise light level control, and the ability to set scenes and schedules, all from any smart device. Or, just ask Alexa or Google to turn the lights on for you. Combining classic design and advanced functionality with simple connection among existing smart home solutions using your home's wireless network, Smart Lighting from the radiant® Collection sets the exact lighting you want – when and where you need it. Tru-Universal Dimmers works with virtually any 120V dimmable bulb or fixture, adjusting to the exact light level you want, without the flicker.

Features & Benefits

Control lights from smart phones and tablets with the Smart Lights app. Even schedule lights to turn on/off automatically, create groups or set scenes.

Installs easily in place of an existing switch or dimmer, neutral Just ask Amazon Alexa or Google Assistant to turn on the wire required. Operates any 120V dimmable light or fixture.

Know your home is secure, even when you're away.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look.

Works with a home's existing secure Wi-Fi network (WPA2). Also includes out-of-the-box connectivity with other smart devices through OCF certification.

Set the exact lighting level you need.

More color options available to fit any style.
