

Wiremold
OUTDOOR CS RUBBER CAP BK BLACK
Part No. XCSCAP-BK

Outdoor spaces are becoming hubs for social activity and productivity. From corporate campuses with outdoor meeting spaces to colleges offering outdoor courses, the need for convenient and safe access to power outdoors continues to grow. The Outdoor Charging Stations from Legrand provide an ideal solution for employees, students, and guests to charge their mobile devices in outdoor spaces. Each station includes a combination of standard GFCI power outlets and USB outlets. In addition, some stations incorporate LED lighting to enable easy usage at night. They can also support A/V or communication connectivity. All stations are ADA compliant and NEMA 3R listed for use in outdoor locations. Shelves are available for device storage while charging. Available in three standard finishes, these elegant pedestals are designed to enhance your facility while blending into existing landscaping.

Features & Benefits

Replacement rubber caps to hide visible screws.
