

Charging Station with Area Light is a charging station with an LED light to eliminate the need for a stand-alone bollard. Perfect for use as pathway lighting in educational, corporate and recreational applications.

Features & Benefits

Charging & Illumination - Combine power with area lighting in one pedestal to maximize functionality of outdoor spaces.

Outdoor-Rated Construction - Rugged aluminum form designed for durability in all weather conditions. UL listed to NEMA 3R requirements to ensure optimal performance.

Durable, Premium Finishes - Available in three outdoor-rated finishes to complement your space design. Choose from black, bronze or silver.

A/V & Communication Compatible - Add an A/V-Communication Kit to 3-gang versions to accommodate Wiremold AVIP plates as well as decorator A/V or communication devices. Enables pedestal to support outdoor presentation areas and classrooms, eliminating the need to bring cables from inside a building.

Device Shelves - Add up to two pairs of shelves to hold mobile devices while charging

Door Options - Interior illuminates when door is open. Replace standard color-matched door with transparent version to make devices inside more visible. Or, select lockable door for added security or to ensure use is limited to facility personnel.
