HDJ Surface Mount Box

Legrand work area outlet mounting solutions provide a low-profile compact design that blend with most environments and come with a textured finish. HDJ Surface Mount Boxes (SMB) accept High Density jacks and mixed media modules. All SMB options provide easy snap-on covers and snap-in label fields, and the 6-port also includes a “break away” integrated fiber management spool. Boxes are supplied with screws and double-sided adhesive tape for mounting onto almost any surface. 1 and 2-port boxes meets UL2043 and are suitable for installation in air handling spaces (ie plenum spaces).
