VANTAGE KEYPAD DEMO CASE CONTENTS

Part #: VAKP-DCASE-21

Our **Vantage Keypad Demo Case** has been designed to easily showcase the variety of keypad styles, finishes and colors available. Seeing, touching, and experiencing them with the included battery backup simplifies the selling and decision-making process. The case is made out of a durable powder coated aluminum, which features 5 different keypads and 25 faceplates that are all neatly presented in lift-out trays.
