

# TRENDNET®

## Quick Installation Guide

- 16-Port Gigabit GREENnet Switch  
TEG-S16g
- 16-Port Gigabit GREENnet Desktop Switch  
TEG-S16Dg
- 24-Port Gigabit GREENnet Switch  
TEG-S24g
- 24-Port Gigabit GREENnet Desktop Switch  
TEG-S24Dg

**Note:** The switch may be different than the one shown in the examples.

### TEG-S16g / TEG-S16Dg

**Note:** Verify the switch's LEDs are working properly. Please see the table below:

LEDs		
LED	Port Indicators	Description
Power LED	Green	Device powered on
	Off	Device powered off
LINK/ACT	Amber (Solid)	Connection at 10/100Mbps
	Amber (Blinking)	Data Transmission at 10/100Mbps
	Green (Solid)	Connection at 1000Mbps
	Green (Blinking)	Data Transmission at 1000Mbps
	Off	No link

### TEG-S24g / TEG-S24Dg

**Note:** Verify the switch's LEDs are working properly. Please see the table below:

LEDs		
LED	Port Indicators	Description
Power LED	Green (Solid)	Device powered on
	Off	Device powered off
LINK/ACT	Green (Solid)	Connected (No data transmission)
	Green (Blinking)	Transmitting/Receiving data
	Off	No device is connected or the device is turned off

## Declaration of Conformity

TRENDNET®

### Limited Warranty

TRENDnet warrants its products against defects in material and workmanship, under normal use and service. Specific warranty periods are listed on each of the respective product pages on the TRENDnet website.

### Garantie Limitée

TRENDnet garantit ses produits contre les problèmes de matériel ou de fabrication, dans des conditions normales d'utilisation et de service. Les périodes de garanties précises sont mentionnées sur chacun des pages produits du site web de TRENDnet.

### Eingeschränkte Garantie

TRENDnet gewährt eine Garantie für seine Produkte im Falle von Material- und Bearbeitungsdefekten, bei normaler Verwendung und Wartung. Spezielle Garantiezeiträume werden auf jeder Produkseite auf der Website von TRENDnet genannt.

### Garantia limitada

TRENDnet garantiza que sus productos carecen de defectos en el material y la fabricación, en condiciones de uso y funcionamiento normales. Los períodos específicos de garantía figuran en cada una de las páginas de producto del sitio web de TRENDnet.

### Ограниченная гарантия

Компания TRENDnet предоставляет гарантию на свои изделия от дефектов материалов и сборки при нормальном использовании и обслуживании. Конкретные гарантийные сроки указаны на странице каждого продукта на сайте компании TRENDnet.

### Garantia Limitada

A TRENDnet garante seus produtos contra defeitos de material e mão de obra sob condições normais de uso e serviço. Os períodos de garantia específicos estão listados em cada uma das páginas dos respectivos produtos no site da TRENDnet.

### Piiratud garantii

TRENDneti garantii hõlmab materjali- ja koostamisedefekte, mis ilmnevad toote tavapärasel kasutamisel. Garantiaaja täpne pikkus konkreetsel tootel on leitud TRENDneti kodulehelt vastava toote infolehelt.

### Garanzia limitata

TRENDnet garantisce i propri prodotti da difetti di materiali e manodopera, in condizioni di normale uso ed esercizio. I periodi di garanzia specifici sono elencati sulle rispettive pagine di prodotto sul sito TRENDnet.

### UL Warning

- Elevated Operating Ambient Temperature-If installed in a closed or multi-unit rack assembly, the operating ambient temperature of the rack environment may be greater than room ambient. Therefore, consideration should be given to installing the equipment in an environment compatible with the manufacturer's maximum rated ambient temperature (Tmra).
- Reduced Air Flow- Installation of the equipment in a rack should be such that the amount of air flow required for safe operation of the equipment is not compromised.
- Mechanical Loading-Mounting of the equipment in the rack should be such that a hazardous condition is not achieved due to uneven mechanical loading.
- Circuit Overloading- Consideration should be given to the connection of the equipment to the supply circuit and the effect that overloading of circuits might have on over current protection and supply wiring. Appropriate consideration of equipment nameplate ratings should be used when addressing this concern.
- Reliable Earthing-Reliable earthing of rack-mounted equipment should be maintained. Particular attention should be given to supply connections other than direct connections to the branch circuit (e.g., use of power strips).

### Avertissement

S'applique uniquement aux produits PoE: Ce produit ne doit être raccordé qu'aux réseaux PoE sans routage vers l'installation extérieure.

Le cordon d'alimentation de l'appareil doit être raccordé à une prise de courant avec mise à la terre.

### Rack Installation

The Switch can be mounted in an EIA standard, 19-inch rack, which can be placed in a wiring closet with other equipment. To install, attach the mounting brackets on the switch's front panel (one on each side) and secure them with the screws provided.

**Attaching the mounting brackets to the Switch**  
Then, use the screws provided with the equipment rack to mount the Switch in the rack.

**Installing the Switch in an equipment rack**  
The equipment power cord must be connected to a socket outlet with earthing connection.

Wall-mounted instructions (TEG-S16Dg and TEG-S24Dg only)

The Unit has two wall-mount slots on its bottom panel. Before you begin, make sure you have two screws that indicate a diameter measurement of 0.1377 inches (4.0mm).

- Determine where you want to mount the switch.
  - Drill two holes into the wall. Make sure adjacent holes are 4.51 inches (114 mm) apart.
  - Maneuver the switch so the wall-mount slots line up with the two screws.
  - Place the wall-mount slots over the screws and slide the switch down until the screws fit snugly into the wall-mount slots.
  - Screw type T3 x 15mm x 2
- The equipment power supply cord shall be connected to a socket-outlet with earthing connection.

FCC Caution: Any changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

### Certifications

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received, including interference that may cause undesired operation.

### Power supply connected caution

The equipment power supply cord shall be connected to a socket-outlet with earthing connection.

### Advertencia

Le cordon d'alimentation de l'appareil doit être raccordé à une prise de courant avec mise à la terre.

Waste electrical and electronic products must not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority or Retailer for recycling advice.

Applies to PoE Products Only: This product is to be connected only to PoE networks without routing to the outside plant.

### Note

The Manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

### Advertencia

En todos nuestros equipos se mencionan claramente las características del adaptador de alimentación necesario para su funcionamiento. El uso de un adaptador distinto al mencionado puede producir daños físicos y/o daños al equipo conectado. El adaptador de alimentación debe operar con voltaje y frecuencia de la energía eléctrica domiciliar existente en el país o zona de instalación.

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.
