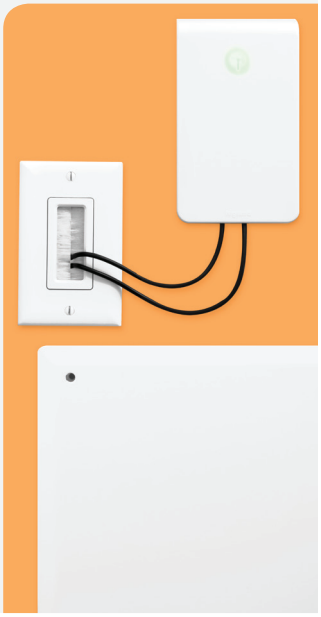
Main Source AU1015

INNOVATIVE TECHNOLOGY

PERSONAL MUSIC ANYWHERE

Enjoy music stored on an iTunes library or steam songs directly from a phone or tablet over a Wi-Fi Network. The lyriQ airQast Main Source allows access to popular streaming services such as Pandora, SiriusXM and thousands of Internet radio stations.

The airQast Main Source plugs directly into the lyriQ Distribution Module, allowing users to play music through any of the On-Q speakers in the home.



PRODUCT FEATURES

- Plugs directly into lyriQ module to provide control of digital music library
- Stream your favorite music directly from smartphone or tablet via Wi-Fi network
- Supports streaming music services such as Pandora, SiriusXM, and LastFM.
- Allows for two users to share and stream music on network at same time
- Includes wall mount input and custom cable assembly (USB to RJ45)
- Free feature and service updates download automatically
