lyriQ Charge & Play Kit
AU5015

Universal desktop stand fits most smart phones, tablets and MP3 players

Convenient USB charging port

Reliable Cat 5-based installation

AU5015-XX
lyriQ Charge & Play Kit

INNOVATIVE TECHNOLOGY

FLEXIBLE LISTENING OPTIONS

Play music stored on a digital device throughout the home with the lyriQ Charge & Play Kit. As a single-source input to the lyriQ Multi-Room Audio System, the Charge & Play Kit supports any tablet, smartphone, and MP3 player via convenient USB port and the player manufacturer's cord.

Left and right stereo inputs provide crystal clear sound to as many as four zones - just plug and play - while the included Universal Smart Cradle desktop stand securely holds any device connected to the system.

lyriQ Room Source Input

PRODUCT FEATURES

- Audio input supports most smart phones, tablets and MP3 players
- System charges most devices while connected to lyriQ
- Universal desktop stand manages device cords and cables to reduce clutter
- Replaces current single source main input module
- Supplies 5 volts (2.5w) of power to USB charging port
- 2 RCA line level inputs
- Kit includes: main source input, wallplate, desktop stand and cable

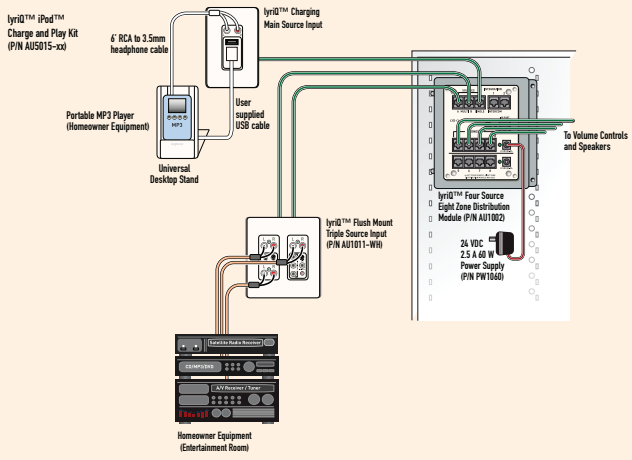
WIRING DIAGRAM



INSTALLATION AT-A-GLANCE
lyriQ CHARGE & PLAY KIT

1. Run a Category 5 cable from a low voltage bracket at the intended room location for the lyriQ™ Charge and Play Kit to the lyriQ™ Four Source, Eight Zone Distribution Module located in the Enclosure.
2. Terminate both ends of the Cat 5 cable with RJ45 plugs, plug the enclosure end into the Single Source input jack on the Distribution Module and the room end into the RJ45 jack on the rear of the AU5015-xx Main Source Input.
3. Mount the AU5015-xx Main Source Input into the low voltage bracket and cover with the supplied wallplate.
4. To use your portable MP3 player as a music source, set the player on the supplied stand, and connect the supplied cable from the headphone output jack on the MP3 player to the left and right RCA audio jacks on the AU5015-xx Main Source Input.
5. To also charge your MP3 player, connect its USB cable from the player to the USB jack on the AU5015-xx Main Source Input.
