THE LOOK OF LUXURY, THE FUNCTION OF COMFORT:

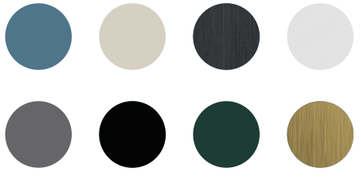
Dedicated to exceptional style, innovative functionality and the superb performance Legrand is known for, designer switches and outlets elevate any space and can provide the perfect finishing touch for your property.

Choose from a variety of options for simplified lighting control – sensors, universal dimmers, switches that respond to a tap, a touch or even a wave – to add modern convenience travelers today want most, from ultra-fast charging outlets to built-in night lights.

Distinguish your property while enhancing every stay, with the accessible details that install easily and transform how a room both looks and feels.

Meet the adorne® Collection.

Bold and beautiful, in the signature square, this is the collection that puts premium style within reach. Select switches and outlets from three design-inspired finishes – white, magnesium and graphite – and pair with screwless adorne Wall Plates, available in **over 40 colors, metals and materials.**



Your property offers an atmosphere unlike any other. We can make a custom wall plate design to match.

Meet the radiant® Collection.

Clean lines and classic colors for a sophisticated touch, this collection features devices in nine color and finish options to complement any décor – from the trendy to the timeless. Coordinate with screwless radiant wall plates to complete the look.
