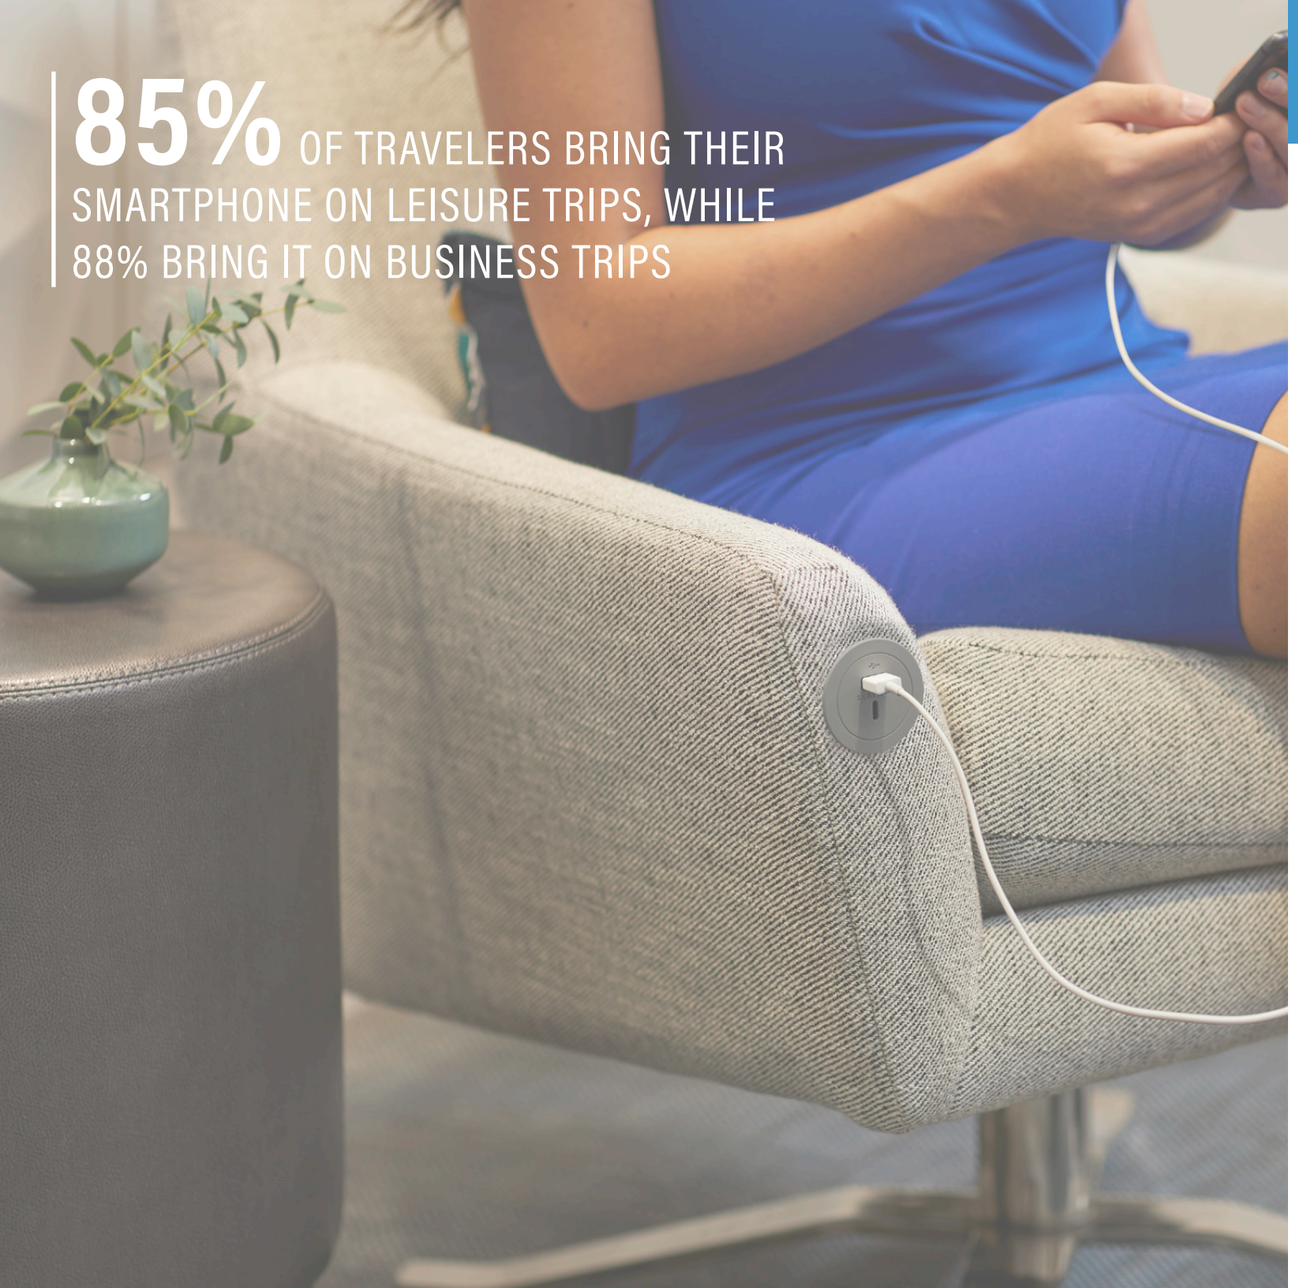
Power and Charging Solutions for Furniture

CRAFTED FOR A **CONNECTED WORLD**

#LegrandImprovingLives

legrand®



85% OF TRAVELERS BRING THEIR SMARTPHONE ON LEISURE TRIPS, WHILE 88% BRING IT ON BUSINESS TRIPS

FURNITURE

for a connected world.

Travelers use smartphones and tablets to capture photos, post to social media, browse local restaurant options, book reservations online and catch up on work. With heavy device usage increasing, people return to their hotels eager for an easy way to charge. Connectivity, power and charging can no longer be ignored. It's a must-have for every hotel.

The modern world demands power sources wherever we can put them. Beautiful ones are even better. Add power and charging directly to your furniture, keeping design in mind. Transform hotel furniture into exactly what guests want: a stylish, simple way to stay connected.

USB TYPE-A

The standard flat, rectangular port that is most commonly used

USB TYPE-C

The new, smaller port being adopted by mobile device manufacturers with an easy-to-use reversible design

Lack of convenient charging is a primary concern for **74%** of hotel guests

THOUGHTFUL DESIGN

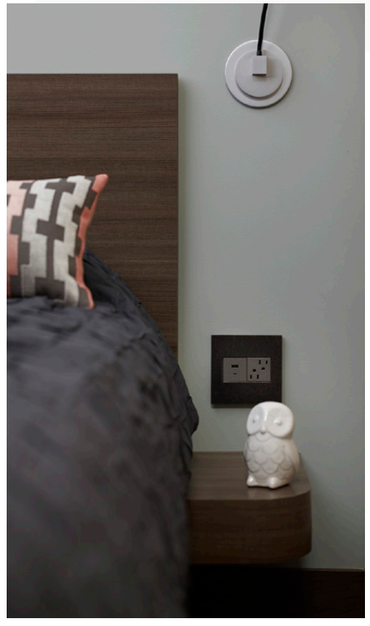
paired with premium functionality.

ADORNE® FURNITURE POWER CENTERS

For major wow factor, explore the versatility of adorne. Fueled by the beauty and diversity of adorne devices and wall plates, the adorne Furniture Power Center is designed to blend in seamlessly with your space while giving guests a place to power up. Add charging, switching and dimming directly into the headboard, nightstand or seating – just plug and play. And with our wide variety of configurations and premium wall plate finishes, there's a solution that works for you.

Available in white or magnesium.

- Additional wall plate color options
- 11 options with different configurations of power, USB charging, switching and dimming



A STEP ABOVE ORDINARY

for your furniture.

RADIANT® FURNITURE POWER CENTERS

radiant Furniture Power Centers combine a sleek, modern design with the functionality of USB charging and traditional power. Quick and easy to install, furniture can be ready to recharge devices in no time. It's also safe for spills and horizontal mounting, opening up your options. Three flawless finishes with no exposed screws complement any design.

Available in white, black or nickel.

- Power outlets with USB-A & USB-C ports
- Switching with power outlets, USB-A & USB-C ports
- Power outlets with USB-A ports
- Switching with power outlets & USB-A ports
- Spill water rated for use on table tops

CUSTOM-FIT CONVENIENCE

with configurable solutions.

dash™ CONFIGURABLE POWER SOLUTIONS

Offering made-to-order convenience blended with the sleek design we're known for, the furniture power centers and desktop power centers from our dash™ series enable you to select up to 6 individual cubes for power, charging, data and switching to customize a furniture power center that's the perfect size, combination and arrangement to fit your needs. Ready-to-ship, pre-configured options also available.

Available in white or graphite.

- Additional wall plate finishes available
- Accommodates custom configurations with 2-6 cubes
- Cube options include power access, USB-A and C charging ports, push button switching and more

SEAMLESS AND SMALL

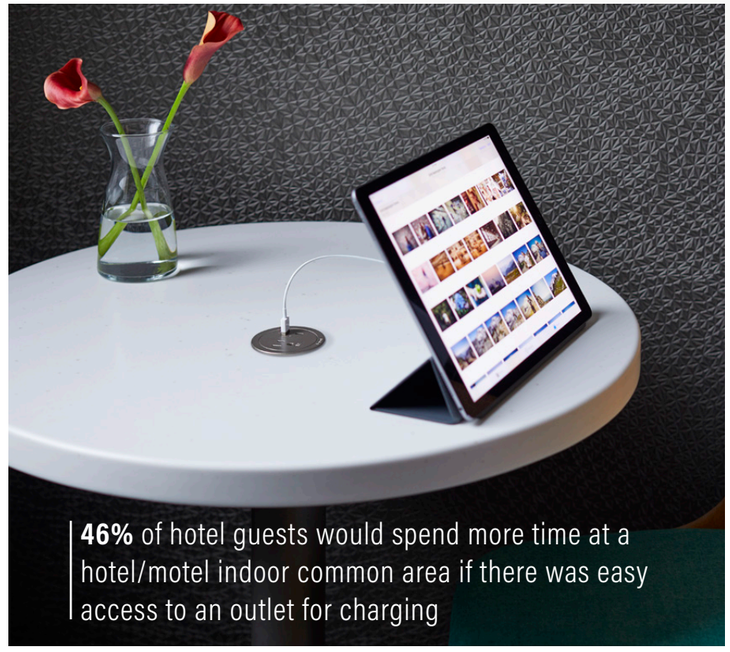
without compromising on power.

ROUND FURNITURE POWER CENTERS

Round Furniture Power Centers offer all the power and charging that you need in a small, flush design that blends right in. Perfect for tables in guestrooms or lobbies, as well as upholstered furniture, these easy-to-install units bring guests the convenience of outlets and USB charging ports in a subtle, stylish way.

Available in white, black or nickel.

- Power outlet with USB-A & USB-C ports
- Only USB-A & USB-C ports



POWER

within reach.

DESKTOP POWER CENTER SLIM

Bring power and charging right up to desks and tabletops. Desktop Power Centers are a smart, simple way of adding power and charging. The units mount directly to surfaces and keep unsightly cord clutter from overwhelming the space. Elegant designs and colors blend in nicely with any environment and the furniture within it.

Available in black or white/gray.

- Power outlets with USB-A & USB-C ports

FLIP UP

your thinking.

DEQUORUM™ FLIP-UP TABLE BOXES

deQuorum Flip-Up Table Boxes bring ready access to power and communications to work surfaces and countertops. They're designed and rated specifically for areas that are prone to spills from liquids. Available in two versatile finishes with a variety of power options, these units are a perfect addition to any horizontal surface.

Available in black or stainless.

- Only a power outlet
- Power outlets & USB-A ports
- Spill water rated for use on table tops
