OUTDOOR **Rooftop Box**

POWER TO NEW HEIGHTS

#LegrandImprovingLives

legrand®

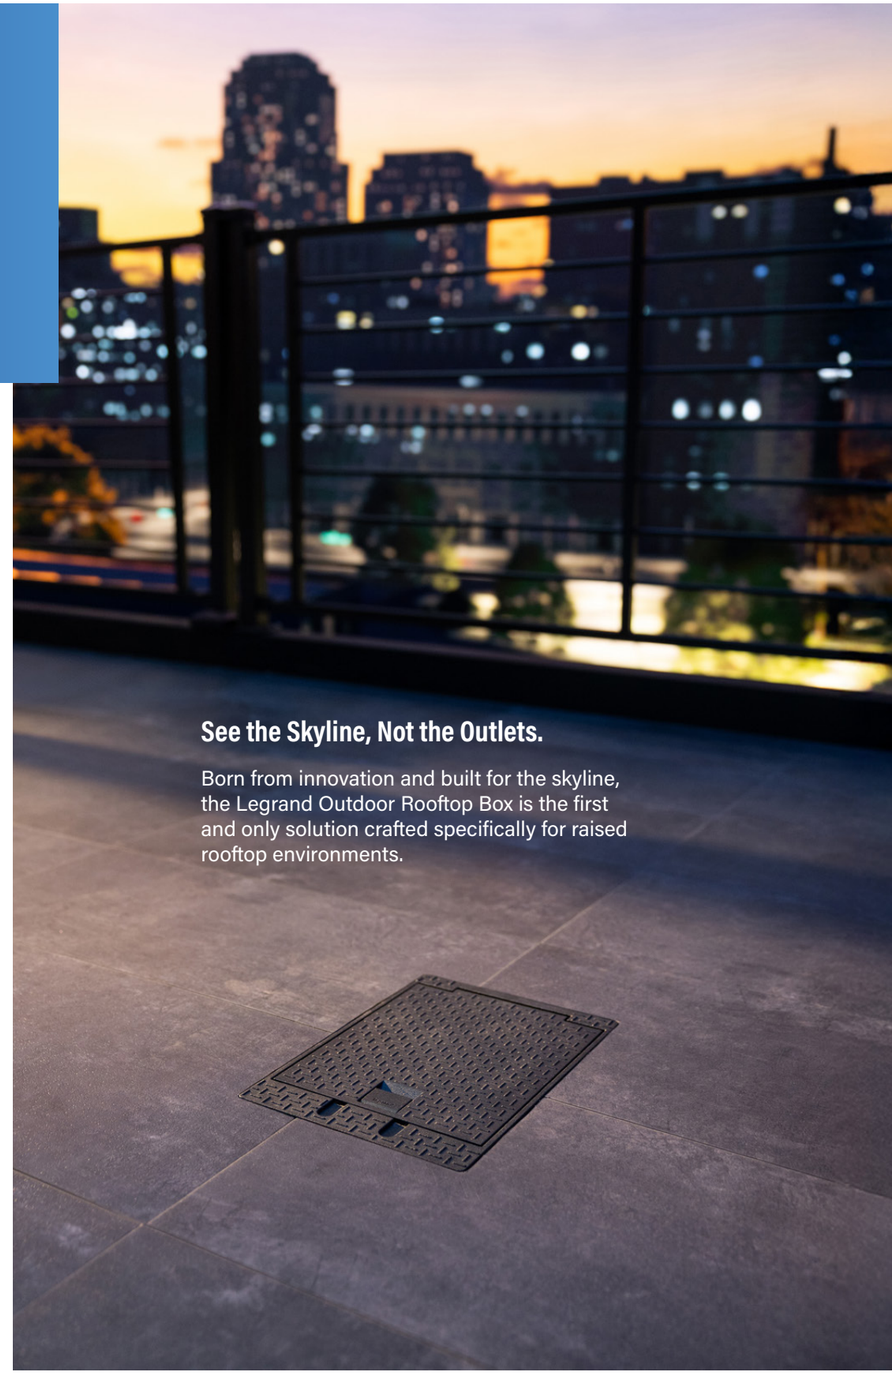
Bring Life—and Power—to the Rooftop.

Imagine a rooftop alive with energy: friends laughing over cocktails, a fitness instructor leading a spin class or colleagues connecting in a collaborative workspace. Every small detail matters to curate these vibrant experiences, and that includes power.

Legrand's Outdoor Rooftop Box transforms rooftop spaces into inviting destinations. By delivering permanent power exactly where you need it, it opens the door to endless possibilities – from lively rooftop dinners to moments of quiet connection. The power blends in yet is always accessible and ready to help you unlock the full potential of your premium rooftop space and make every moment count.

The one and only Rooftop Box on the market.

Designed to disappear as it integrates with rooftop pavers, yet always readily accessible.



See the Skyline, Not the Outlets.

Born from innovation and built for the skyline, the Legrand Outdoor Rooftop Box is the first and only solution crafted specifically for raised rooftop environments.
