EZ Patch Flat Pack Battle Card

EZ Patch Flat Pack means faster installation, less packaging waste and no more twist ties. Legrand's EZ Patch Flat Pack delivers bulk patch cords bagged in a flat bundle, eliminating cord memory, and offering a more convenient way to deploy. Double ended labels enable traceability, and cords are delivered in an easily transportable, sustainable package.

EZ Patch Flat Packs are available in packs of 12 to match patch panel quantities. EZ for you, EZ for the environment.

Benefits	Flat Pack Packaging	Standard Packaging
Eliminates 11+ wasted bags	✓	✗
Eliminates cord kinks & memory	✓	✗
Bundled in patch panel quantities	✓	✗
Double end labelling for cord traceability	✓	✗
